UPDATED AMC REGISTRATION INFORMATION

July 28th, 2010

We now have an active AMC approval list. It can be found in the center of our website, www.appraisal.state.az.us. This list will be kept current as new companies are registered. As of July 29th, 2010 appraisers may only accept orders from companies on this list. Orders in process that were ordered prior to July 29, 1020 will be considered valid and should be continued to be processed. These prior orders will, however, be subject to regulation in place after July 29, 2010.

We at the Board offices appreciate your patience and willingness to work with us during this process.

We would like to congratulate Gold Canyon Appraisal Management Company, LLC. as the first official registered company in Arizona, number 40001.

Sincerely,

Dan Pietropaulo #30412
Executive Director
