

To Members of the Public and the Regulated Community:

We are writing to you on behalf of and at the request of Dan Pietropaulo, Executive Director of the Arizona Board of Appraisal. As some of you may have heard, Dan has been out of the office for the past several days on medical leave. Unfortunately, a few days ago Dan was diagnosed with kidney cancer. While we are all terribly saddened by this diagnosis, Dan is determined to fight this disease head-on with strength, courage and of course, the love and support of his family, friends and colleagues.

Despite Dan's absence, please be assured that the Board office continues to operate smoothly and the excellent staff is working closely with the Board's officers to ensure that things continue to run effectively and efficiently. In the meantime, please direct your inquiries as follows:

Amanda Benally (AMCs); 602-542-1566;

amanda.benally@appraisal.state.az.us

Rebecca Loar (Regulatory Compliance); 602-542-1595;

rebecca.loar@appraisal.state.az.us

Jessica Sapio (Education and Applications); 602-542-1543;

jessica.sapio@appraisal.state.az.us

We would ask that all non-emergent issues wait for Dan's return. We are sure that you join us, the rest of the Board members as well as the Staff in wishing Dan a speedy and complete recovery.
