THE QUESTION OF THE DAY

The question of the day: This is a photograph of...

- A. Congress in session
- B. Billy Graham crusade
- C. AZ Board of Appraisal Outreach Meeting/FHA Presentation

If you answered C you are correct. Tuesday, August 9th, 2011, the AZ Board of Appraisal held the Special Outreach Board Meeting with the FHA presentation "Completing Today's FHA Appraisal"

At 8 am Mrs. Debbie Rudd, BOA Vice-Chair opened the meeting with the Pledge of Allegiance and conducted the roll call of Board Members and staff. Executive Director Dan Pietropaulo then presented a power point presentation of the Board website entitled "What's There And How To Find It"

Bobbie Borland, Randy Montrose, and Karen Birdsong, of the FHA staff then presented a full day seminar "Completing Today's FHA Appraisal" with 7 hours of appraiser continuing education credits free of charge to appraisers. The meeting was open to and attended by the public, appraisers, lenders/underwriters, AMC quality assurance/staff, and attendees from other states.

The Board and staff signed in 550 attendees with 8 registration stations so there was no time for lines to develop. At the end of the day sign out was handled by 10 volunteers from the appraisal community and Board, again with no lines developing. Two different methods were used for sign in and sign out and the lack of lines was appreciated by attendees. It was a great display of people working together in unison.

The day was measured a success by all in attendance and the success was a direct result of:

1. All of the 550 people who made the effort to attend (without them there would have been no meeting)
2. The FHA staff driving in from Santa Ana, CA and giving a professional and informative presentation
3. AZ Board of Appraisal Board members, Assistant AG and staff and Board staff who gave 110%

As the Executive Director I offer a huge thanks to all who assisted and attended.

Sincerely,

Dan Pietropaulo #30412
